

Welcome

Welcome to this second in-person public consultation event in respect of land south of Church Road, Steep. The exhibition sets out Wilson Designer Homes' latest layout alongside draft illustrations and architectural drawings of the proposed houses.

Today's exhibition has been arranged to provide you with an opportunity to review, discuss and provide feedback on the emerging proposals.

Representatives of Wilson Designer Homes and members of the design team are on hand to answer your questions.

We hope that you find this event informative.

Thank you for your interest and for taking the time to attend.

01 Evidence Base

Conduct site surveys and gather baseline evidence. Submit environmental surveys and technical work to SDNPA to commence the pre-application process.

03 Preferred Option

Use feedback from residents and National Park Authority to develop a preferred layout option and to begin considering building designs. Public consultation event on preferred layout. Feedback considered and amendments incorporated into final layout.

05 Submission

Final proposals developed taking on board feedback from public consultation and exhibition events. Presentation of final proposals at Parish Council meeting. Final proposals formally submitted to SDNPA for consideration.

02 Testing Options

Use feedback from residents and National Park Authority to establish the vision for the site. Produce potential layouts and seek residents views. Interaction with working groups to help widen the reach of public engagement. Ask for further feedback from National Park Authority.

04 Architecture

Architectural style developed. Draft proposals presented at public exhibition event using illustrations and architectural drawings to best display vision for the village.
